

GLEANER 83

MEMORY

Barry Manilow

Midnight, not a sound from the pavement,

Has the moon lost her memory, she is smiling alone.

In the lamp light, the withered leaves collect at my feet,
and the wind begins to moan.

Memory, all alone in the moon light,

I can smile at the old days, it was beautiful then.

I remember the time I knew what happiness was,

Let the memory live again.

Daylight, I must wait for the sunrise,

I must think of a new life, and I mustn't give in.

When the dawn comes, tonight will be a memory, too,
and the new day will begin.

Burnt out ends of smokey days, the stale, cold smell of morning,

The street lamp dies, another night is over, another day is dawning.

Touch me, it's so easy to leave me all alone with the memory of my day in the sun.

If you touch me, you'll understand what happiness is,

Look, a new day has begun.

Memory, all alone in the moon light,

I can smile at the old days, it was beautiful then.

I remember the time I knew what happiness was,

Let the memory live again.

Wasted on the Way

Look around me
I can see my life before me
Running rings around the
way it used to be

I am older now
I have more than I wanted
But I wish I had started
long before I did

And there's much time to make up
Everywhere you turn
Time we have wasted on the way

So much water moving
Underneath the bridge
Let the water come and carry us
away

Oh when you were young
Did you question all the answers
Did you envy all the dancers
Who had all the nerve

Look around you now
You must go for what you wanted
Look at all my friends who did and
Got what they deserved

So much time to makeup
Everywhere you turn
Time we have wasted on the way

So much water
Underneath the bridge
Let the water come and carry us
away

So much time to make up
Everywhere you turn
Love we have wasted on the way

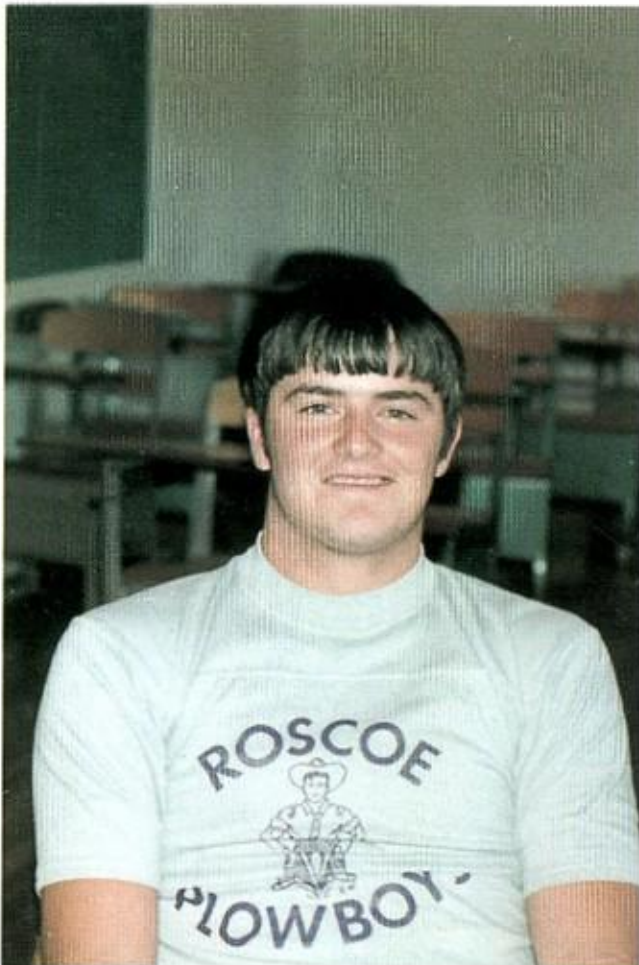

So much water moving
Underneath the bridge
Let the water come and carry us
away

Let the water come and carry us

Gleaner: A collection of thoughts, ideas, memories, etc.

An annual is much more than a book; it is a family album of our high school years that captures us in times of happiness and in times of sorrow.

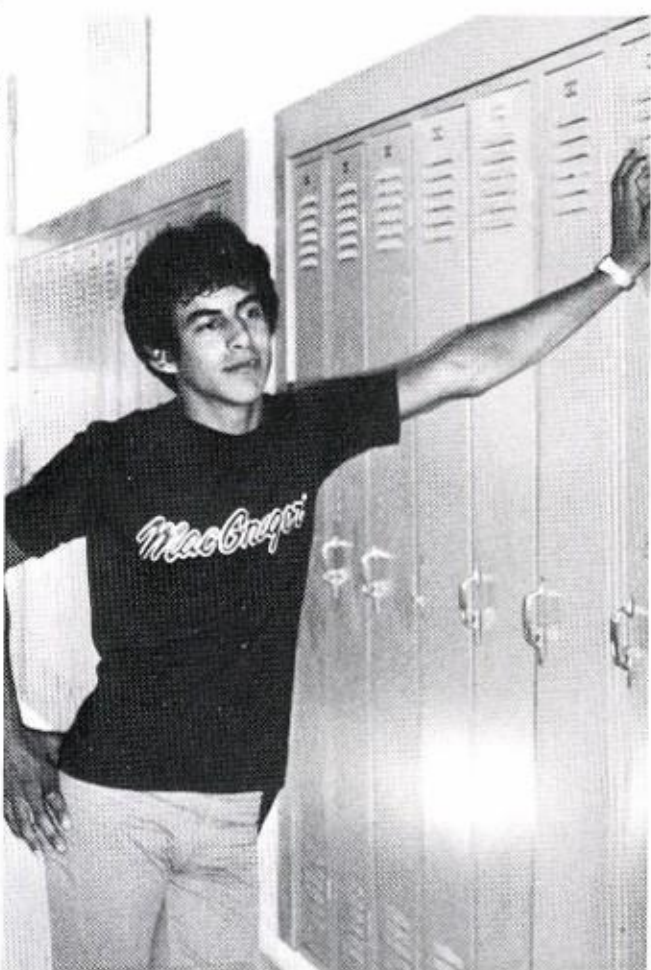

Many years from now, we can look back on our years in high school with a smile or even with some regret for the things we could have done.

A variety of emotions fills our teenage years: love, hope, anger, frustration, and misunderstanding are just a few. No one can say that we are

not living out our lives in high school with a certain lust and emotion that is unequaled to any other time of our lives.

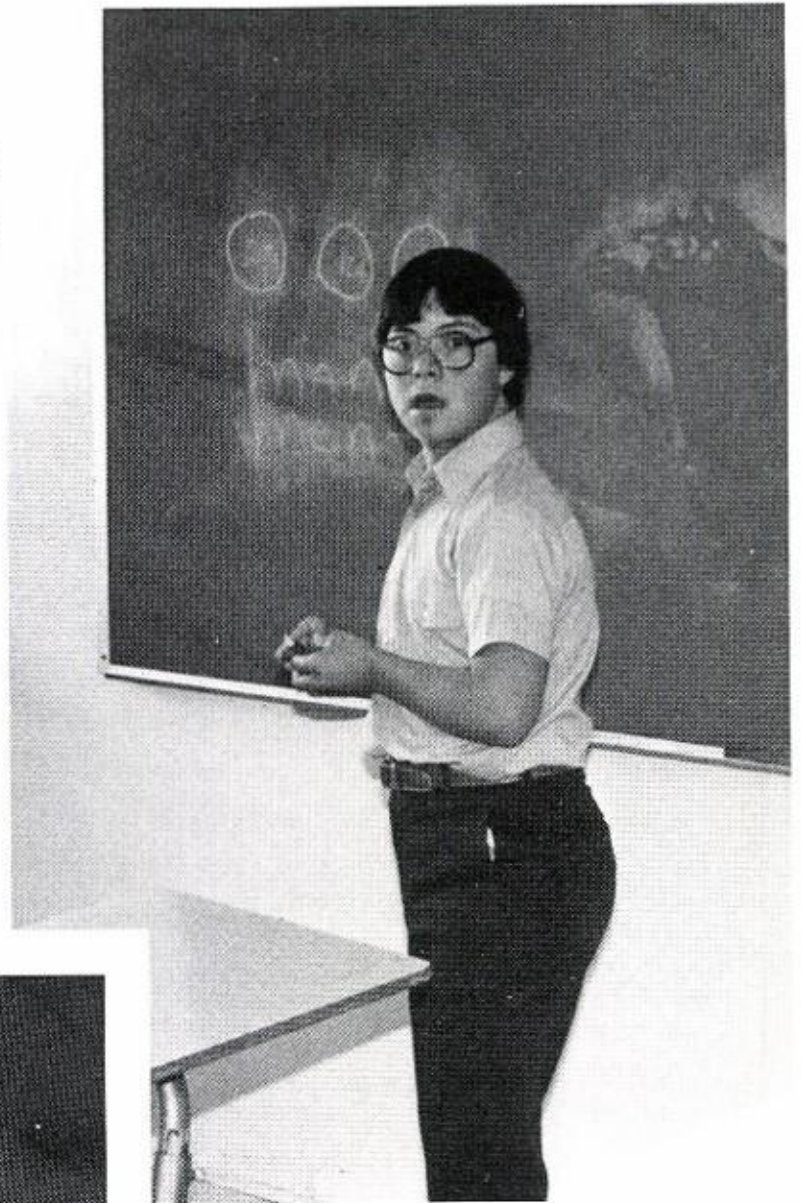

Many of us are anxious to leave Roscoe, and this is due mainly to our need to explore. We will all probably come back, for how can anyone really "leave" Roscoe? It is a part of our being and self-worth. This is a major compliment to R.H.S. Many thanks need to go to Roscoe for the help and support in our lives.

Student Life

From homework to a Ms. Pac Man tournament at the Dairy Queen, from football practice to U.I.L. events, the lives of the students at Roscoe High School are sometimes exciting, sometimes boring, but always busy.

The excitement of pep rallies, the thrill of winning play contests, and even the tears during E.T. were all

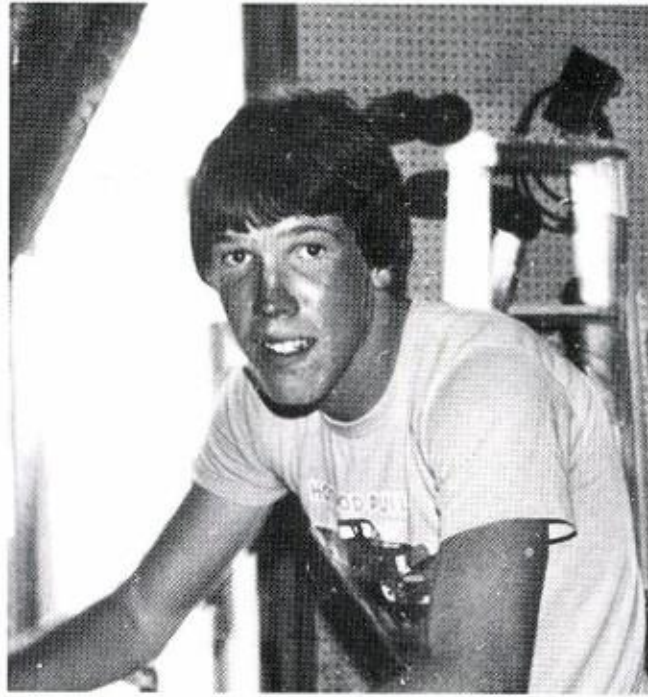

part of a student's life. Phrases like "gag me with a spoon" and other "valley" words abounded in our school this year.

It was a year of change for all of us. New things and old were everywhere around us, but we'll always remember this year at R.H.S.

Liz finds time to smile in the midst of all the annual staff work.

The Ag workshop is an important facet to the high school.

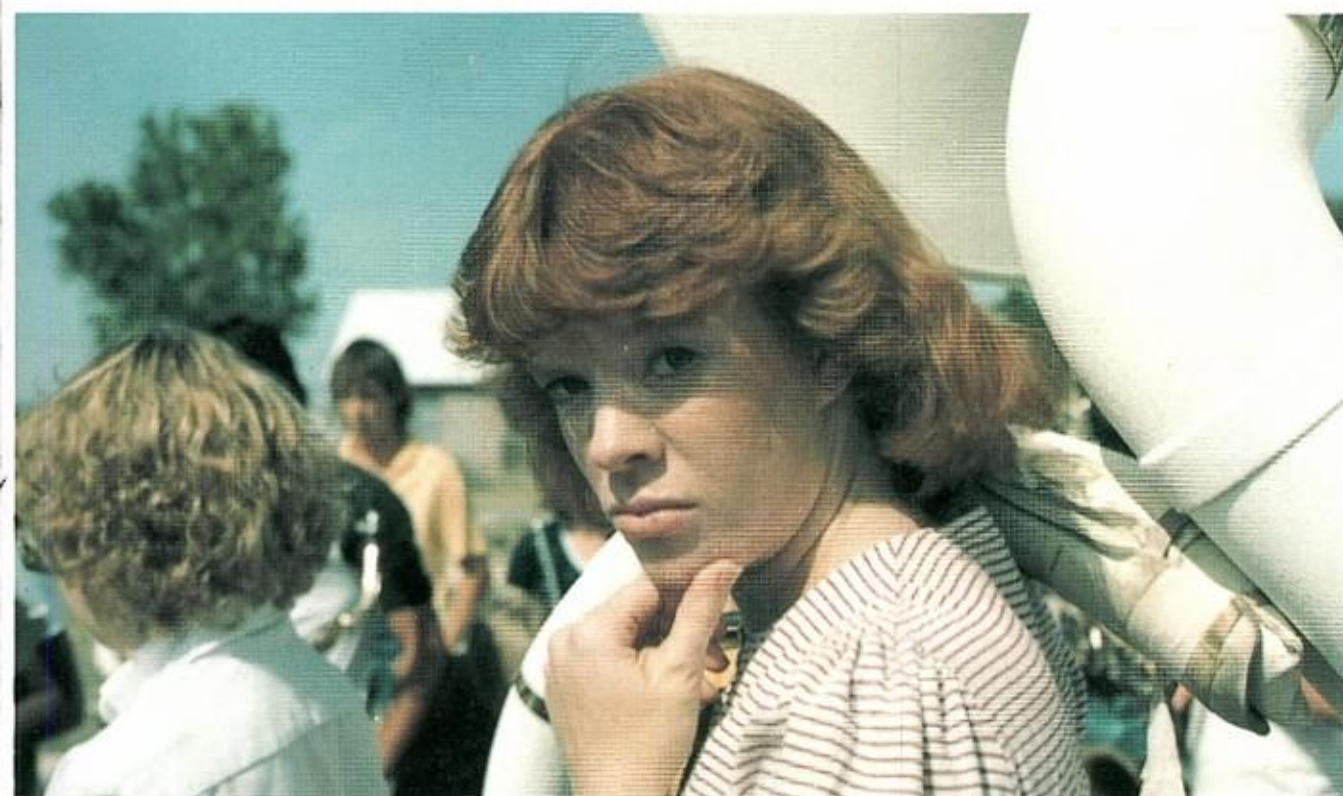

Paula puts the final touches to her homework.

A SLICE OF LIFE . . .

Life for a Roscoe High School student starts the moment you awake. For some people, that happens at about second period.

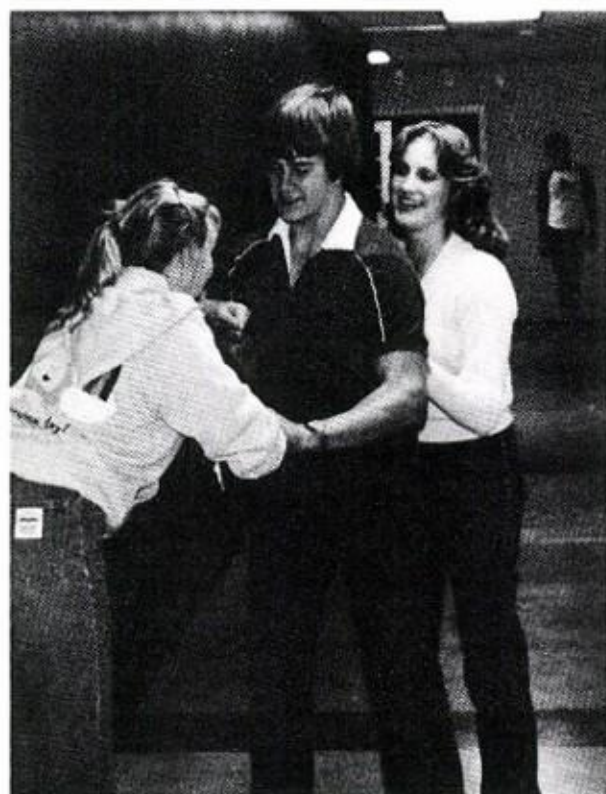

At R.H.S. humor is an important facet of

life. It is a way of dealing with teachers, students, and even our own personal problems. We can feel free to express ourselves, and this encouragement is showing in our school.

Mum Night Is . . . excitement, nerves

This was an exciting night for all of us as we prepared to go out on the field.

We all had a few difficulties, though. Rebecca had problems trying to get her mum to stay on and her dress to stay up, while Gayla was frantically trying not to be the last one ready. Sharla was worried about her high heels sinking into the muddy ground

and Lisa's white dress was sure to get muddy.

Mums caused problems for others, too. Lorie, trying to curl her mum instead of her hair, burned it with a curling iron.

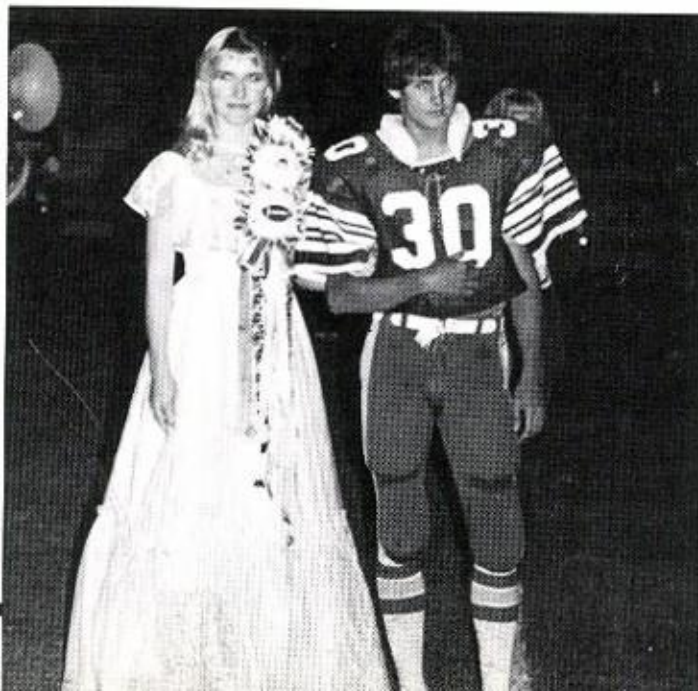

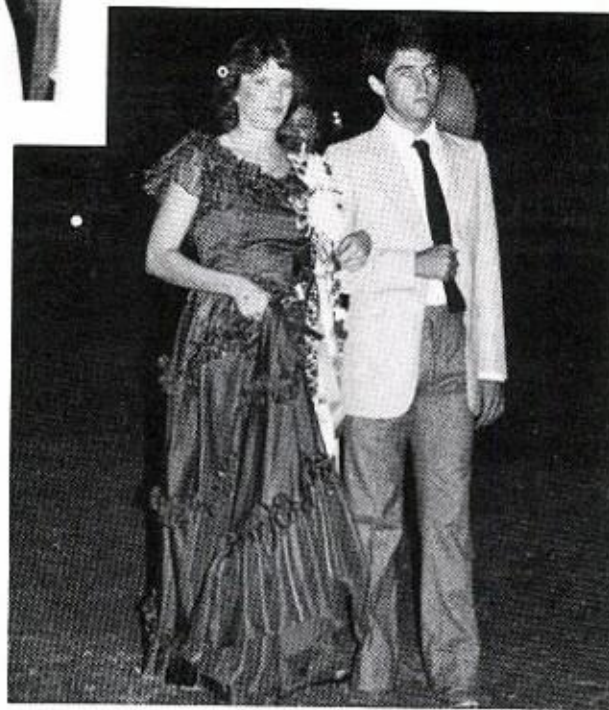

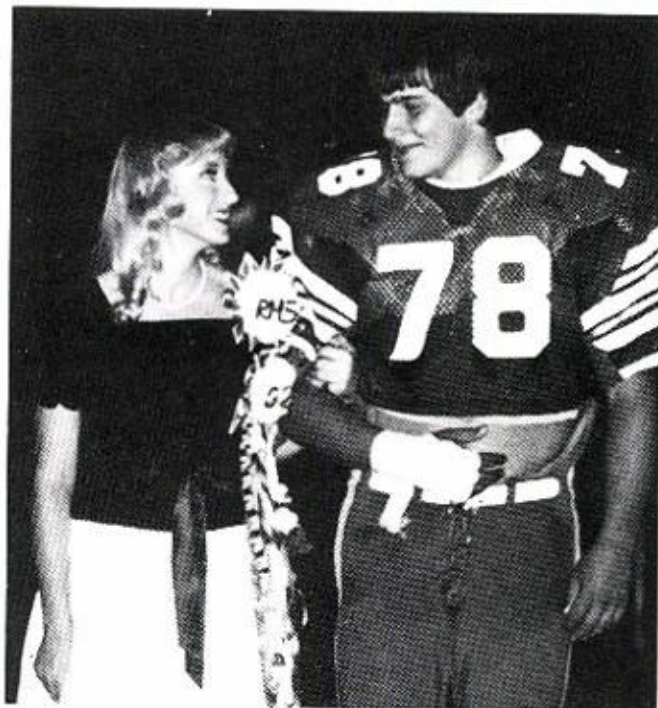

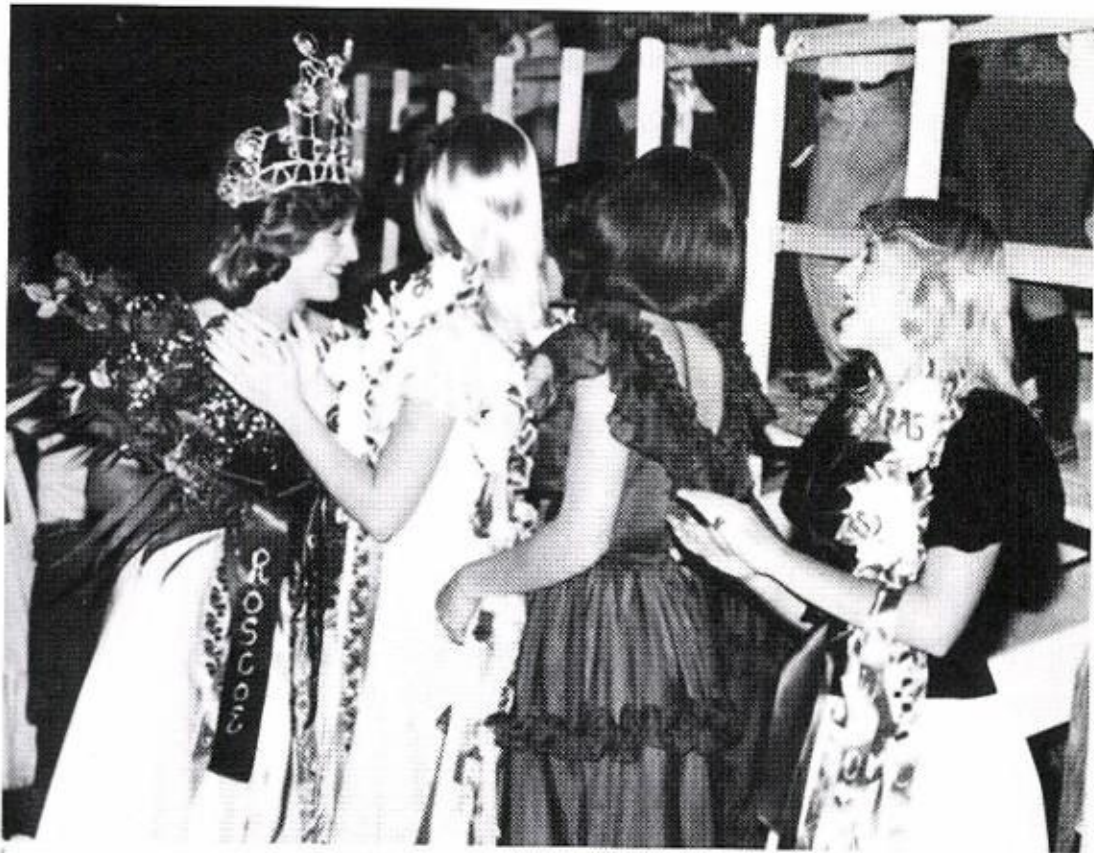

Jamie and Lorie worried all night about their dresses being alike.

When the girls were finally ready, the guys weren't. Mark had locked

his suit in the car. Coach Kennedy kept the football players in the dressing room until the last minute.

Rebecca Cooper was crowned Band Sweetheart and Perry Leonard was Band Beau.

Gayla May and Craig Raughton were selected as Football Sweetheart and Football Hero.

1. Congrats!

3. On your mark, get set, go!

State

This year at RHS the student body had many people to be proud of at the state level. Some of these people were entered in state competition in their division. Leroy Morales went to state for the second time and placed second in the 2 Mile Run and the football team were state finalists. Craig Raughton and Greg Althof were members of the All-State football team and Britt Pieper was named Honorable Mention.

"Dino," this year's One Act Play, went to state and placed second. Cast member of "Dino" that made the all-star cast was: Russell Cravey. Honorable Mention: Jamie Sasin and Laurie Owens. Mark Brasuell received the Samuel French Award for best actor in the state.

Graduation 1983

Each year as graduation approaches, the seniors are drawn closer as a class than they have ever been. Many decisions have to be made. They must decide on which invitations to order, what color of cap and gown they want, and the order of the graduation program. They must also complete exams and pray that they will indeed graduate. This class made it through the rough times and came out better people.

Graduation is a special time in the lives of seniors. It is a time for preparing graduation speeches, receiving diplomas, and turning of tassels. Congratulations Seniors 1983!

We grow, we learn, we weep.
But for now, we pause to celebrate.
We, the Class of 1983

ACADEMICS

The students at Roscoe High School have won many events this year. Roscoe has received awards in sports, music, reading,

literature and journalism to name a few.

Roscoe High School ranked high in almost every academic activity.

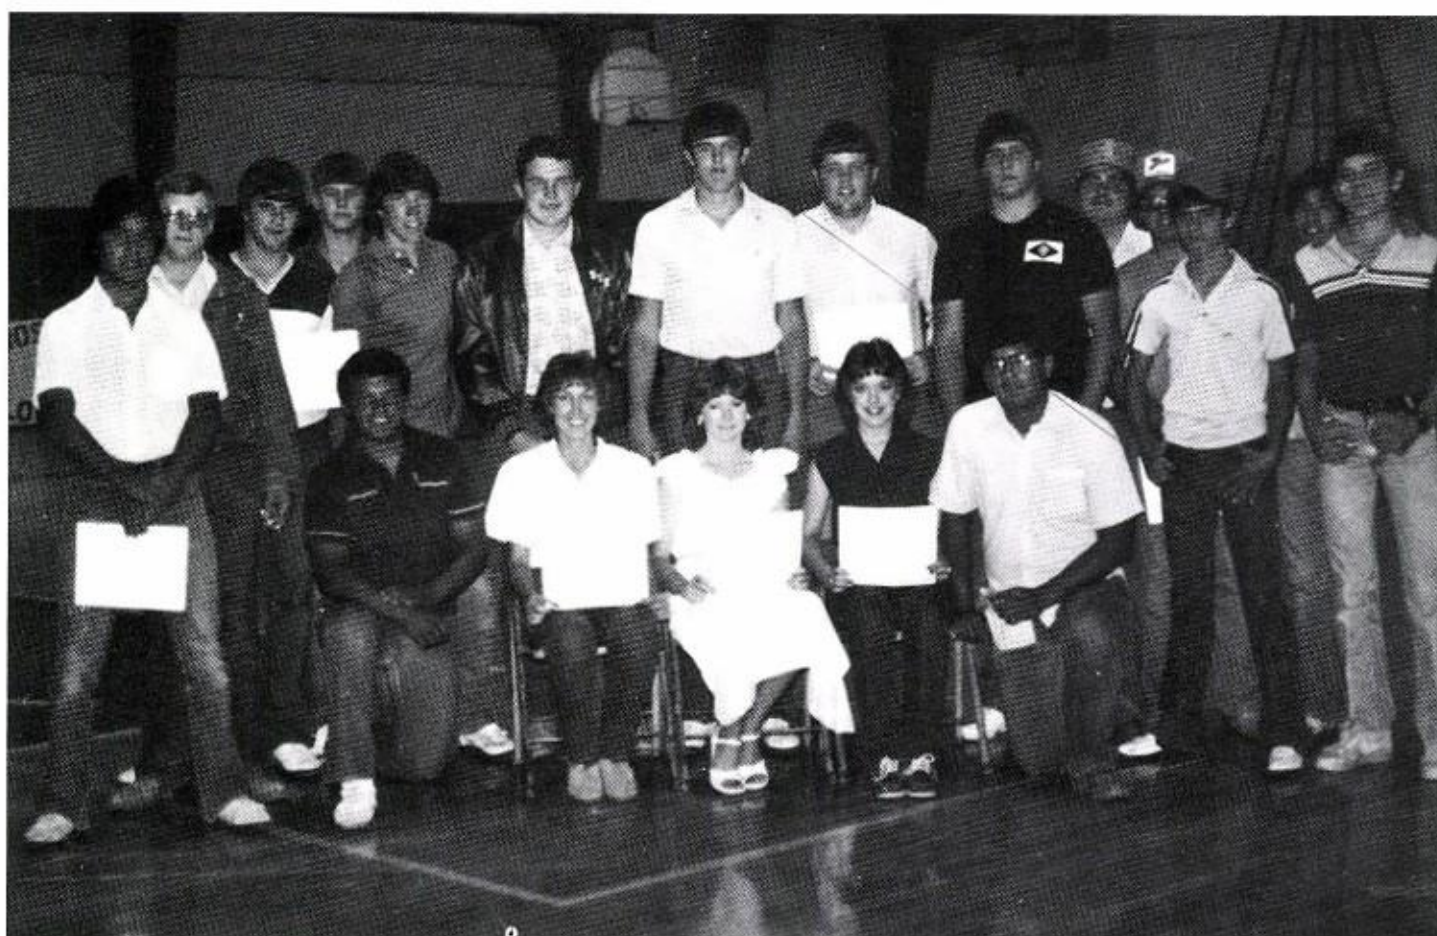

Awards

Each year, outstanding students receive awards in various academics. These students are the ones who work diligently in their studies and are able to understand and apply the knowledge they have gained in these subjects. These students excel in subjects such as agriculture, from becoming a "green hand" to state competi-

tion. They are also involved in business, science, English, math, drama, speech, journalism, history, government, and free enterprise. Many of these students show their mastery of these subjects in their participation in UIL events. Congratulations!

PEOPLE

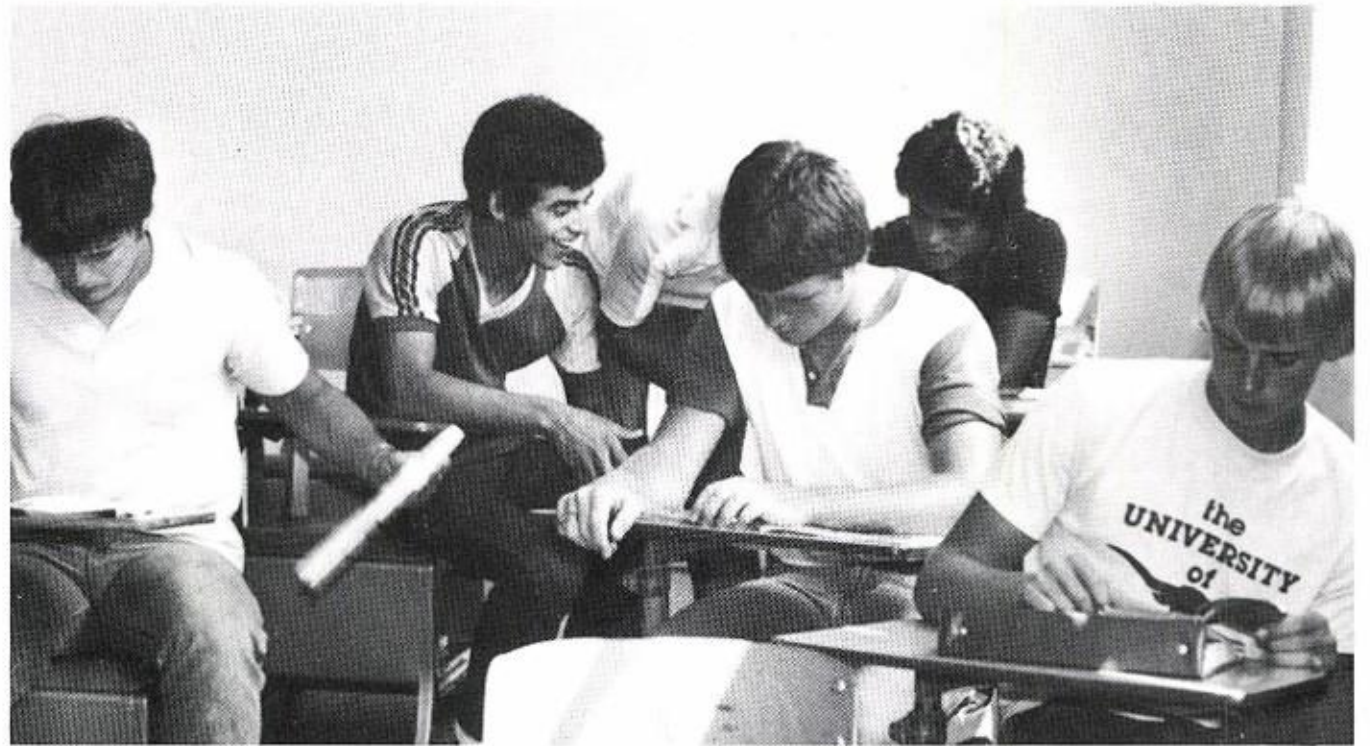

The people of Roscoe High School all have something in common, but they are also all individuals with their own ideas and personalities.

This year we welcomed many new faces to RHS. We did some new things this year, things that few people ever have the chance to do; such as the football team's going to the state finals and the band's being invited to Austria. The entire school followed in

this direction through the One Act play, literary events, and most of the spring sports. The student body was very supportive in everything, from the UIL events to the simple things like giving support to the nervous girls at cheerleading tryouts.

The 1983 year has been very successful, and the people of RHS have made it that way.

Britt feeds the seagulls

Danny makes a "splash" at Padre.

The 1983 Seniors left for Corpus Christi at 3:00 o'clock in the morning. We stayed at the Villa del Sol condominiums. It was fun feeding the seagulls and wading in the ocean outside our rooms.

We ate at Captain Boomers, which was an experience to get to eat on a boat, Catfish Charlie's, and at Black Diamond Oyster Bar.

Padre Island was exciting. We rented surfboards and tried to conquer the waves — the waves won. We learned that ocean swimming at night is dangerous — stingrays abound!

On our return trip, we stopped off at the state track meet to see Leroy run.

We have good memories of our senior trip and of RHS, and we have high hopes for our future.

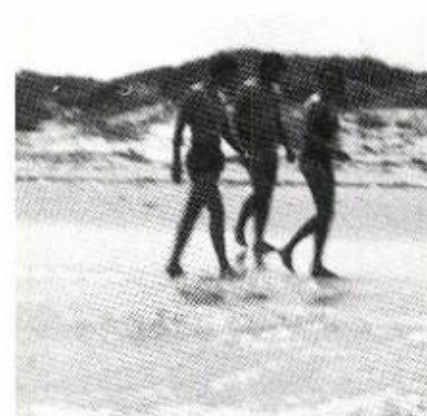

We intend to "reach for the stars."

They say that Life is a
highway and its
milestones are the years,

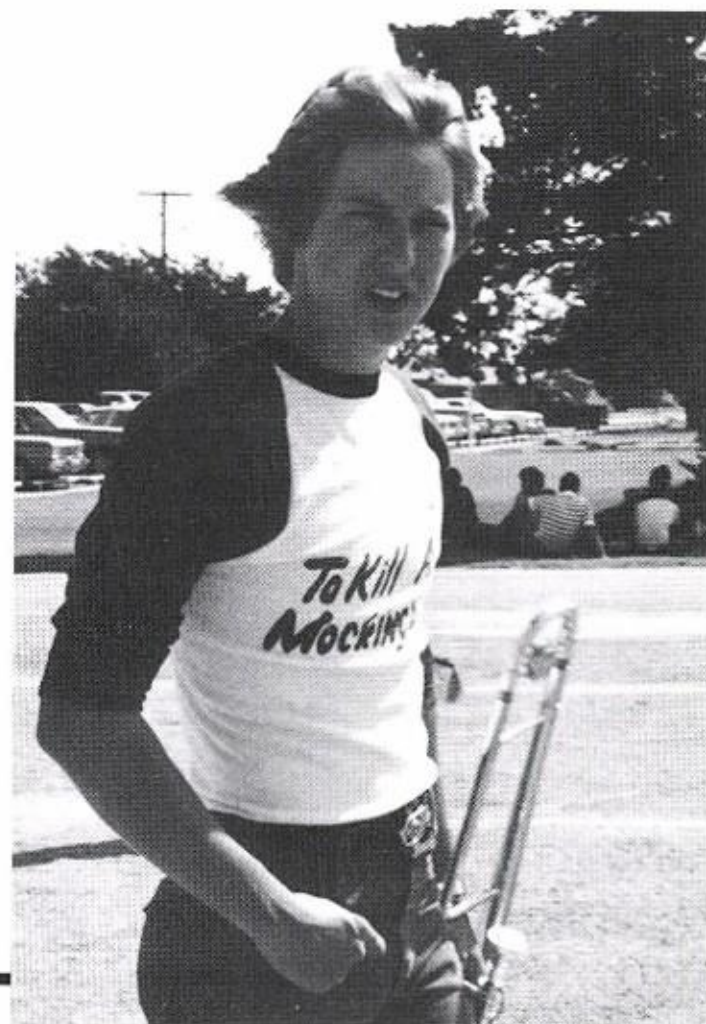

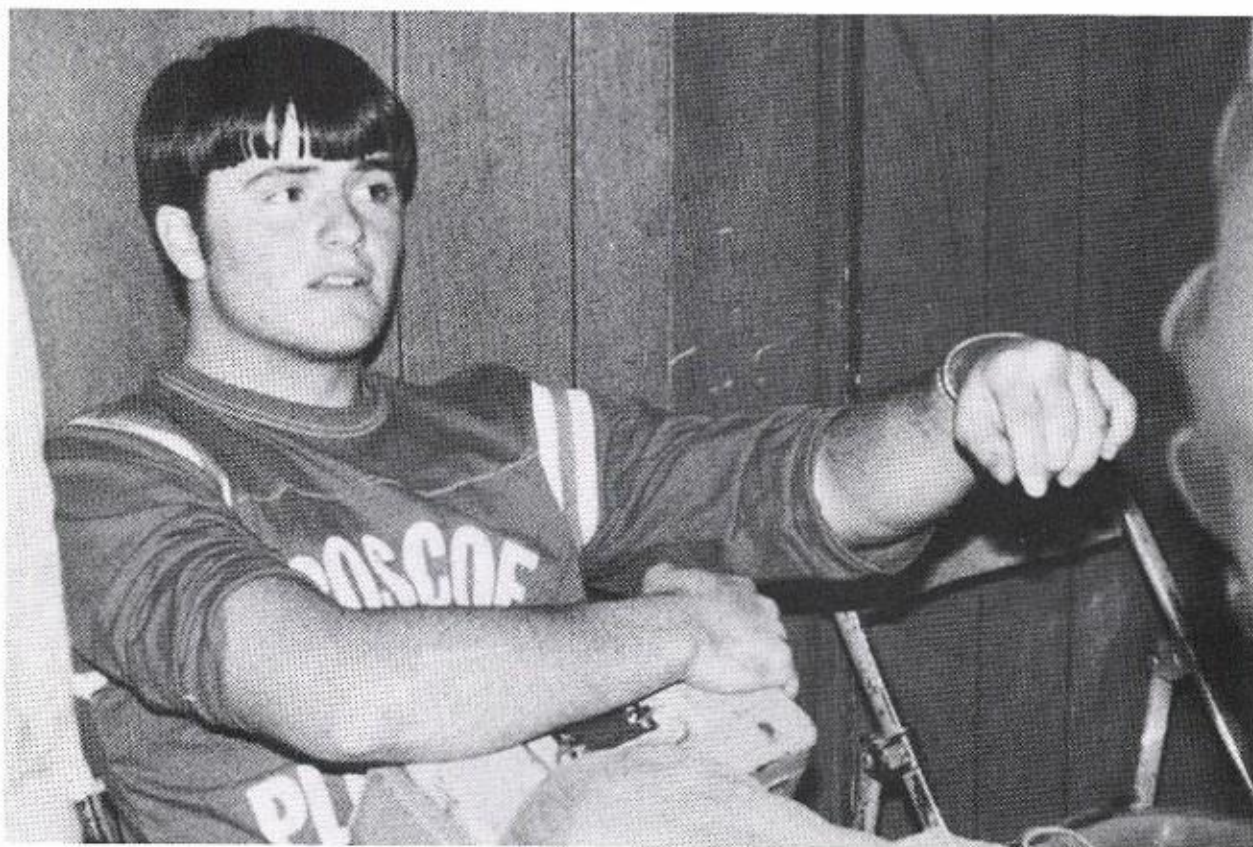

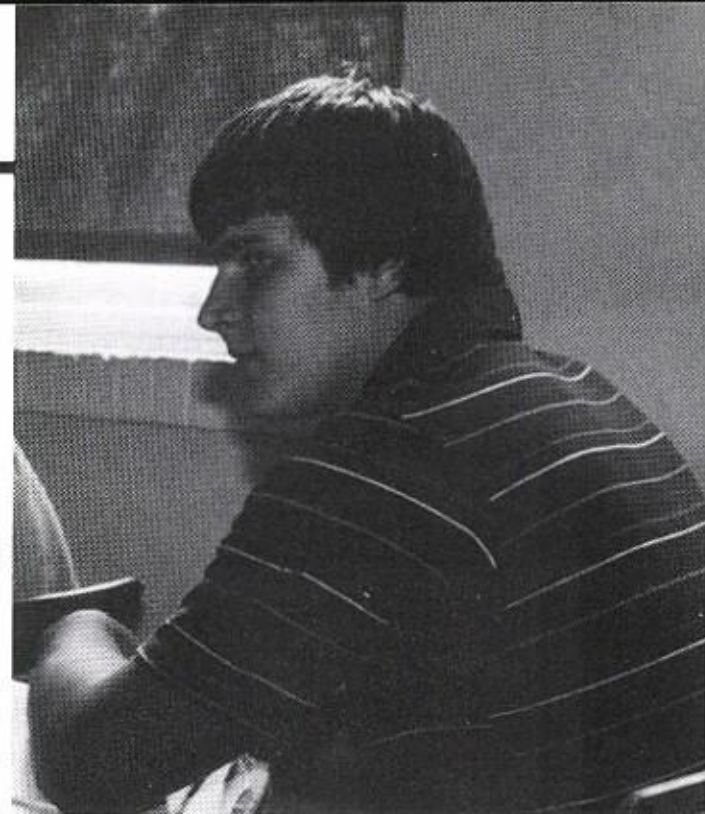

And now and then there's
a tollgate where you pay
your way with tears.

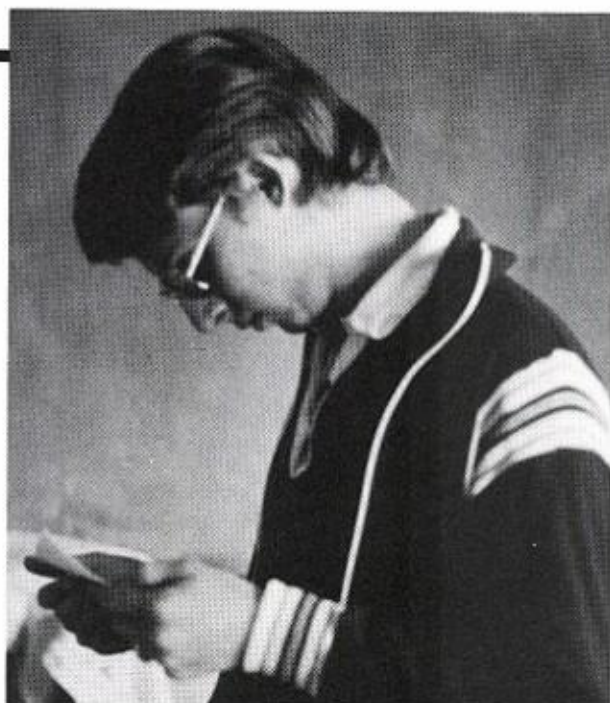

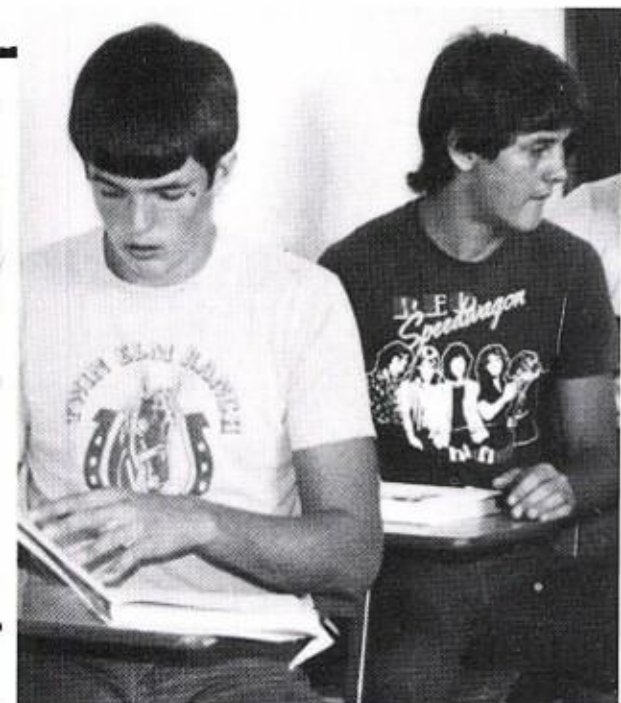

It's a rough road and a
steep road and it stretches
broad and far,

But it leads at least to a
Golden Town where
Golden Houses are.

The 1982-83 Sophomore Class has had a busy, eventful year. Many have been working to go to Austria and participating in sports, drama, and band, as well as many other clubs and activities.

This year has been exciting

and fun. It has given them a chance to learn and grow together as a group and as individuals. Most of all, it has prepared them for their big step into leadership their junior and senior years.

Boys' State — 1983

Young men from every part of Texas were gathered at the University of Texas at Austin to learn about citizenship and governmental procedures. The knowledge we gained was invaluable and we wish that every young man could have the opportunity to attend and experience the week of Boys' State.

Thank you,
Wes Williams
Craig Raughton
Danny Richburgh
Greg Althof
Allan McIntire

In July 1982, Greg Althof, Wes Williams, Allen McIntire, Danny Richburg, and Craig Ruaghton went to Austin, Texas. These five young men were chosen by the American Legion to represent Roscoe at Boys' State. Alternates to Boys' State were Mark Brasuell and Perry Leonard. Chosen for the 1983 Boys' State were Leroy Morales, Russell Cravey, Ruben Herrera, Russell Graham, and Rudy Guzman.

Girls' State 1983

Girls' State was an experience that we will always treasure. We were taught how our Texas government functions and had the opportunity to participate in a mock government. We formed many lasting friendships with girls from all over Texas.

This was an honor and we feel privileged to have been asked to participate in Girls' State.

Lisa Bird
Gayla May

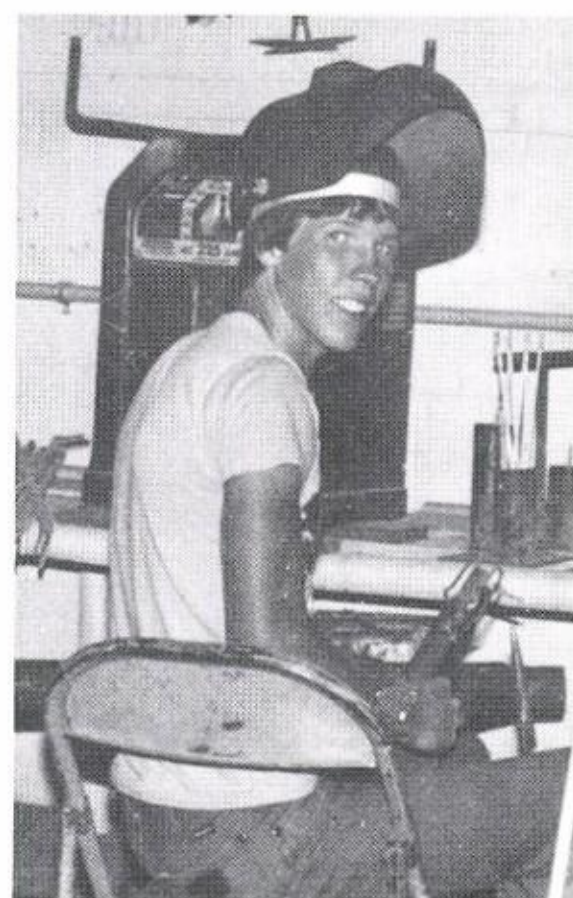

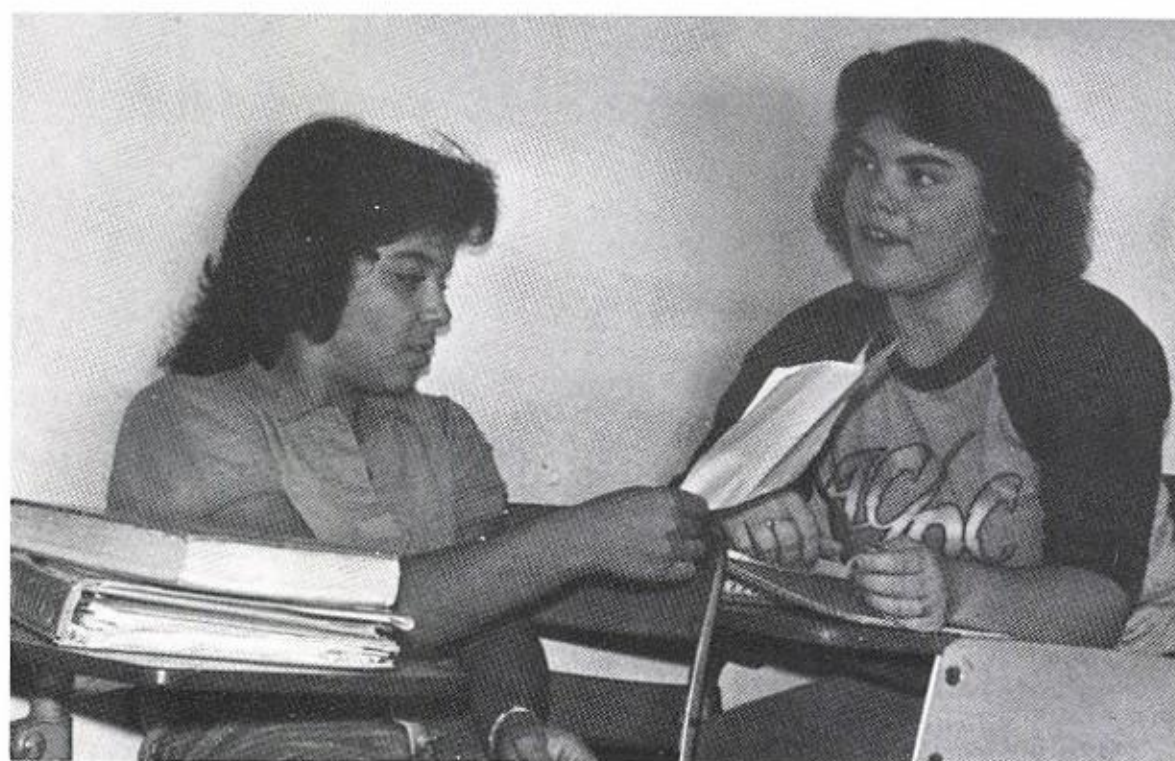

In the month of April in 1982, Gayla May and Lisa Bird were chosen by the American Legion to go to Seguin to attend Girls' State. They spent two weeks in June to learn about Texas Government. Chosen as alternates were Rebecca Cooper and Susan Smith. This year Liz Daily and Sharla Nitzche were chosen to attend the 1983 session. Chosen as alternates were Geriann Sanchez and Sally DeLoera.

ACTIVITIES

Roscoe High School had many fun and exciting activities going on this year. The students have gained a large amount of success in every project attempted.

1983 Flag Corps

The Flag's school year began with Flag camp. This was a busy, but fun, time as they learned thirteen routines for the upcoming football season. They learned that in order to achieve the precision needed for a good squad, they had to have pride in

themselves, a willingness to work hard, the ability to take criticism, and patience with each other. After returning from camp, they put in many long hours of practice to become the Great Flag Corps of 1982.

1983 Drum Major and Twirlers

Rebecca Cooper

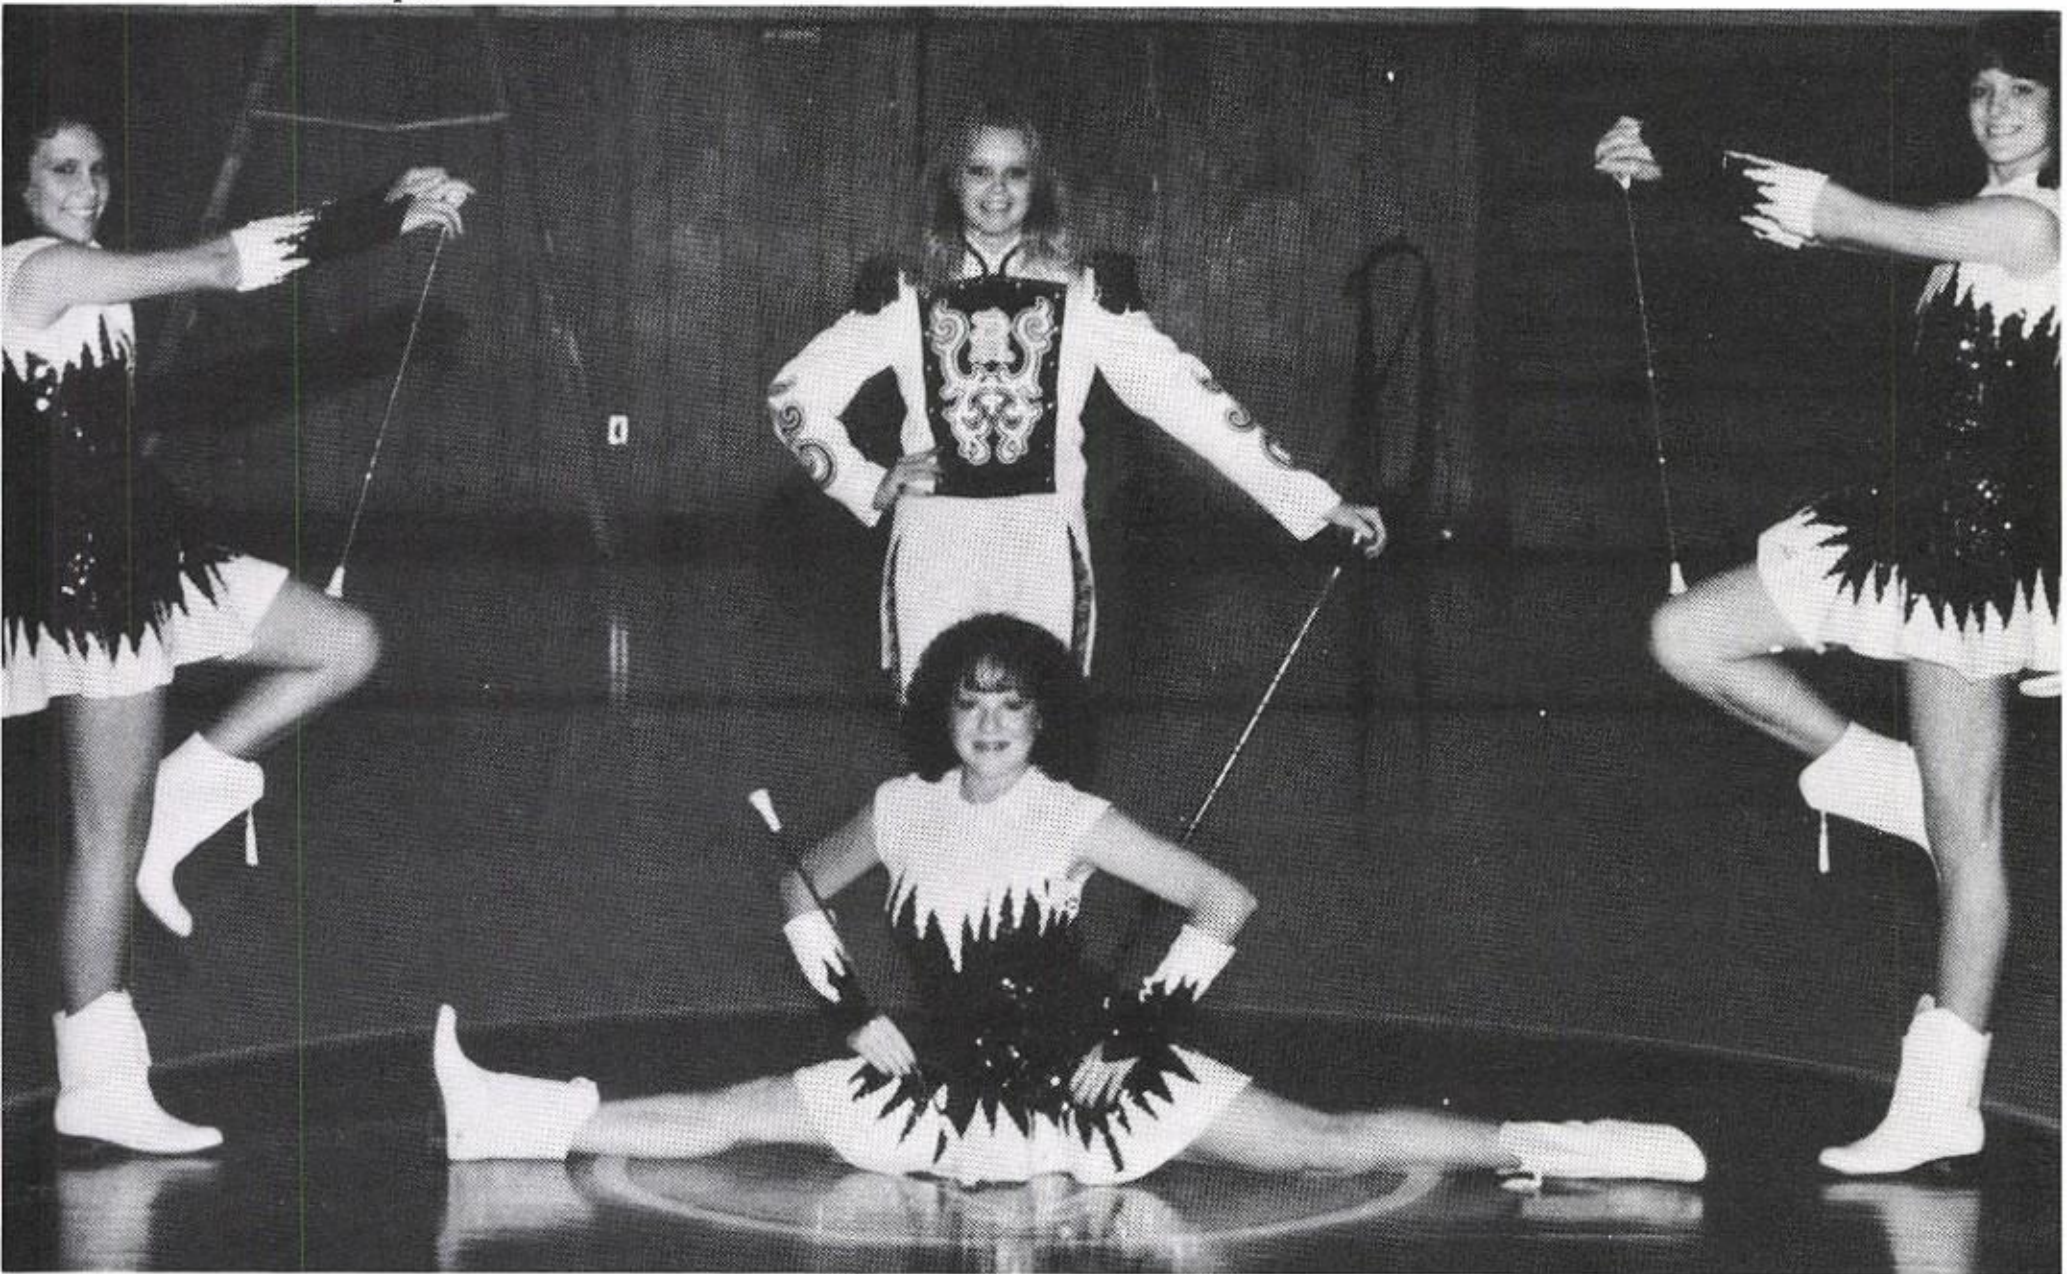

The Twirlers and Drum Major began their summer with preparation for summer camp. They attended camp at Southern Methodist University.

During camp, they learned many new routines for the forthcoming year. They also learned several new marches.

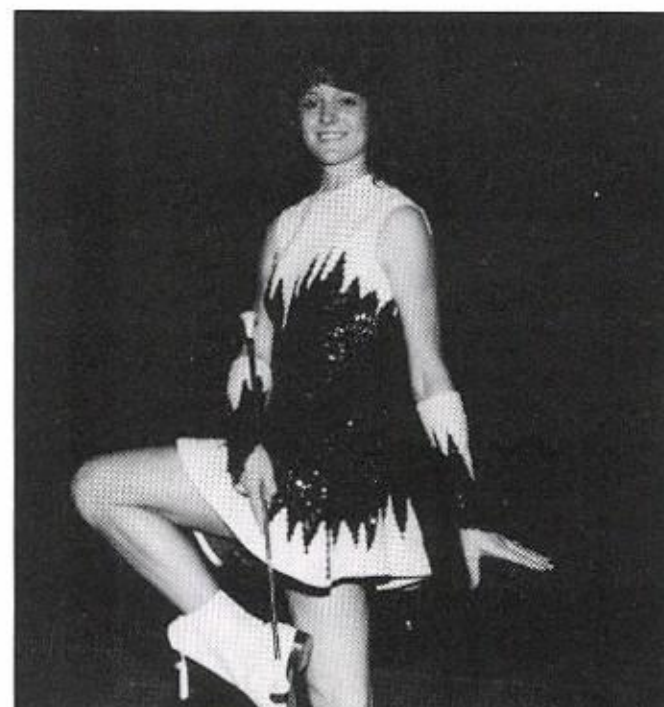

At camp, Rebecca was chosen as Most Outstanding Drum Major.

She discovered that leading the Big Purple Marching Band would be a big task, but that it would certainly be worth it.

The marching season turned out to be the longest in Roscoe's history; but the band, under the direction of Rebecca, and headed up with our great twirling squad certainly showed that Roscoe's Plowboy Band is still the best!

Cheerleaders in Action

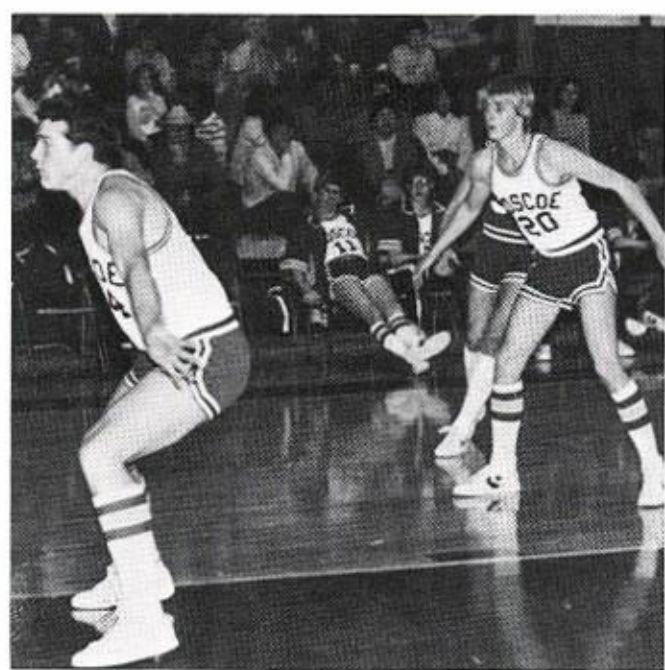

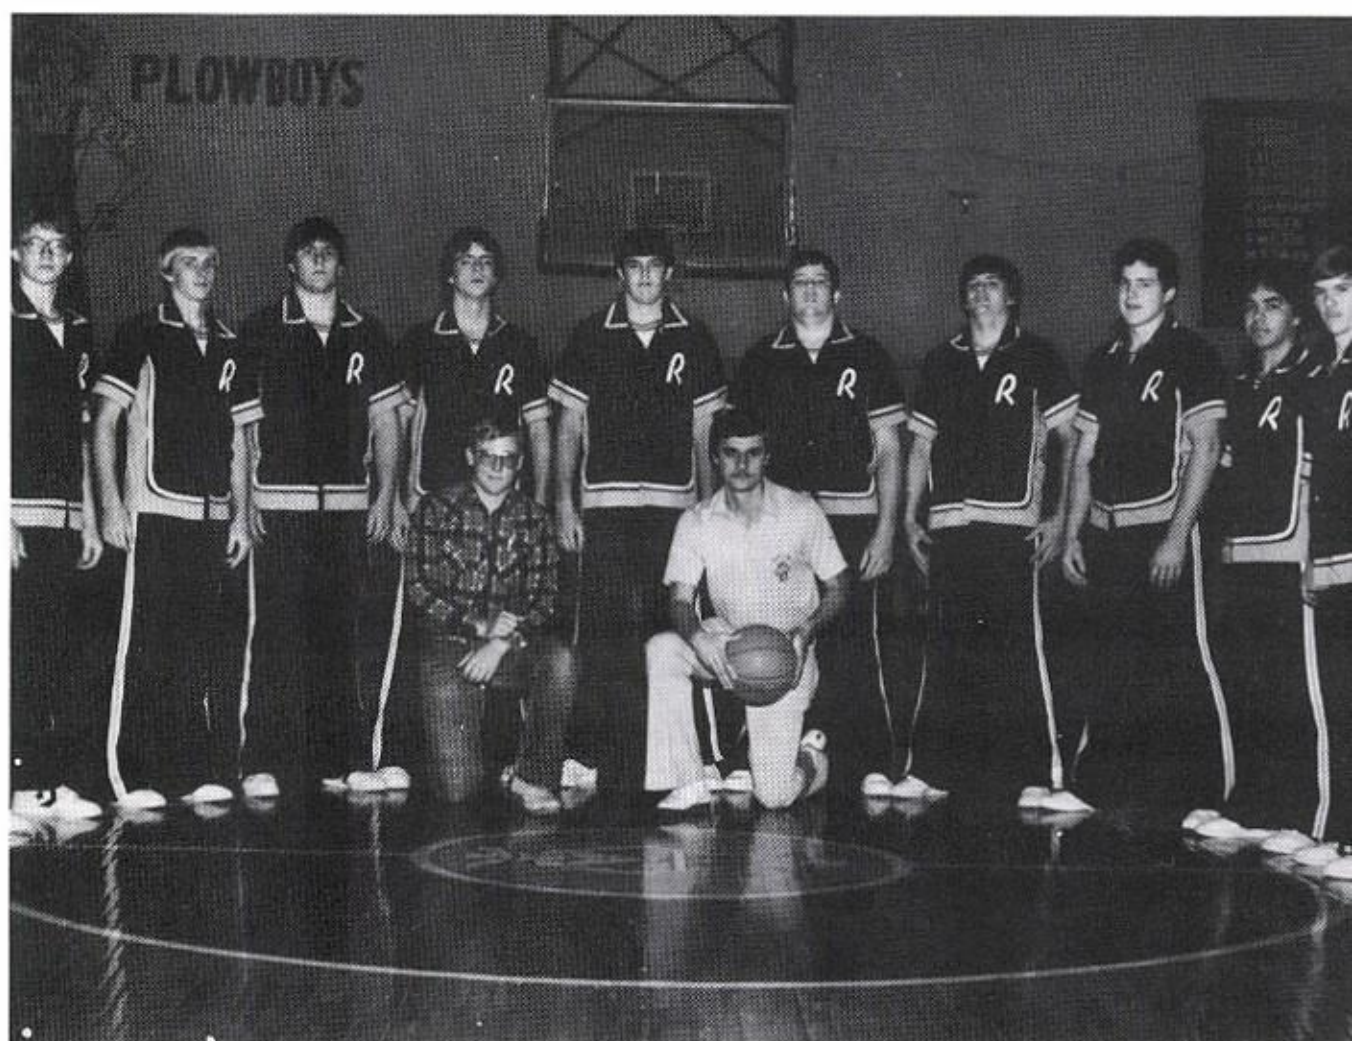

The Plowboy Cheerleaders spent this year working hard: attending camp at Southern Methodist University, winning awards at camp, having their own cheerleading camp for the little girls in Roscoe, and fixing punch for the football players this summer during two-d-days.

When the school year began, they were already half-way through their

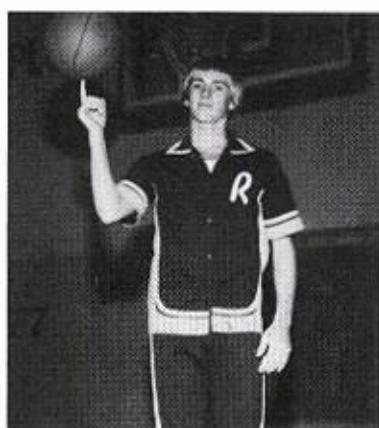

year. They prepared for pep rallies and worked to build spirit for each game. They helped cheer the Plowboys on to the State game and then began preparing to support our winning basketball teams.

During the spring, they planned and put on the athletic banquet. All-in-all, it was a very busy year for our award-winning Roscoe Plowboy Cheerleaders.

NERVES:

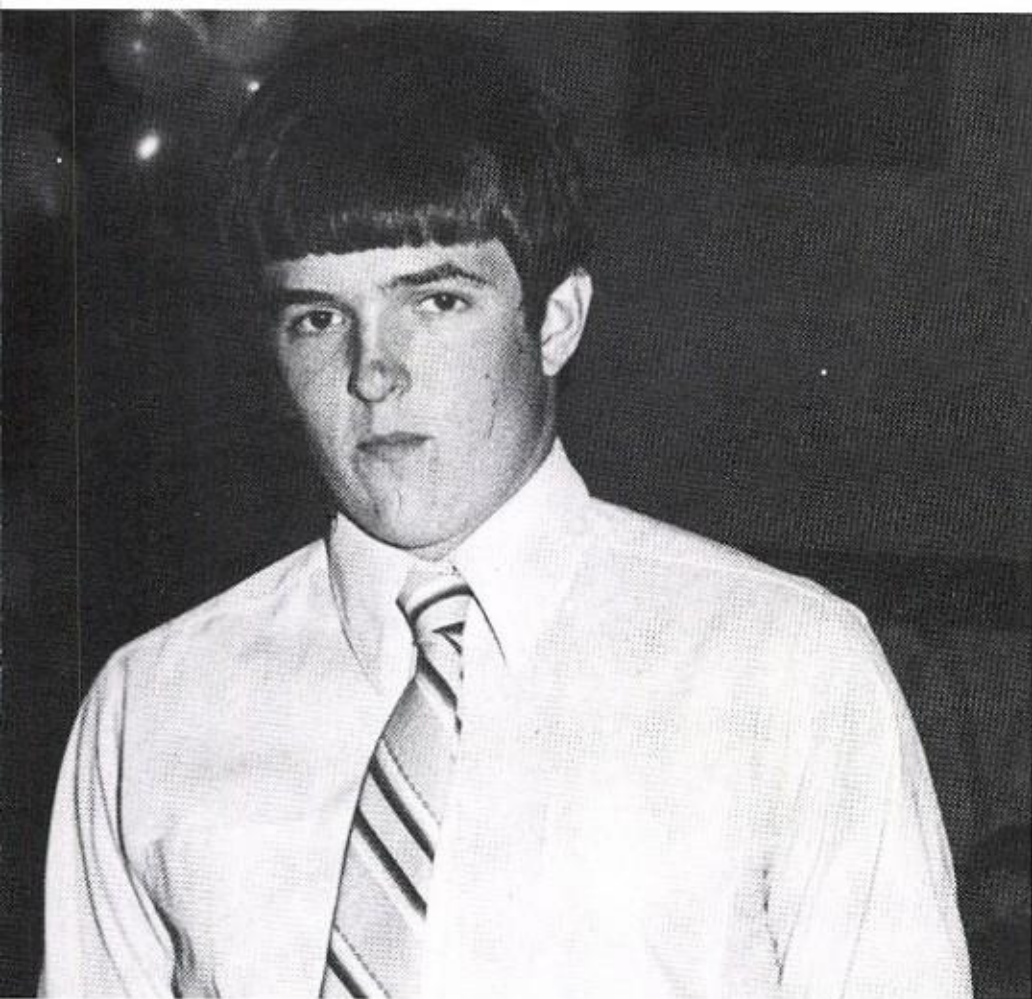

Tryouts
1983

Everyone gets nervous right before trying out. They all agree that the experience is rewarding, as well as fun. It helps one grow and learn to accept responsibility.

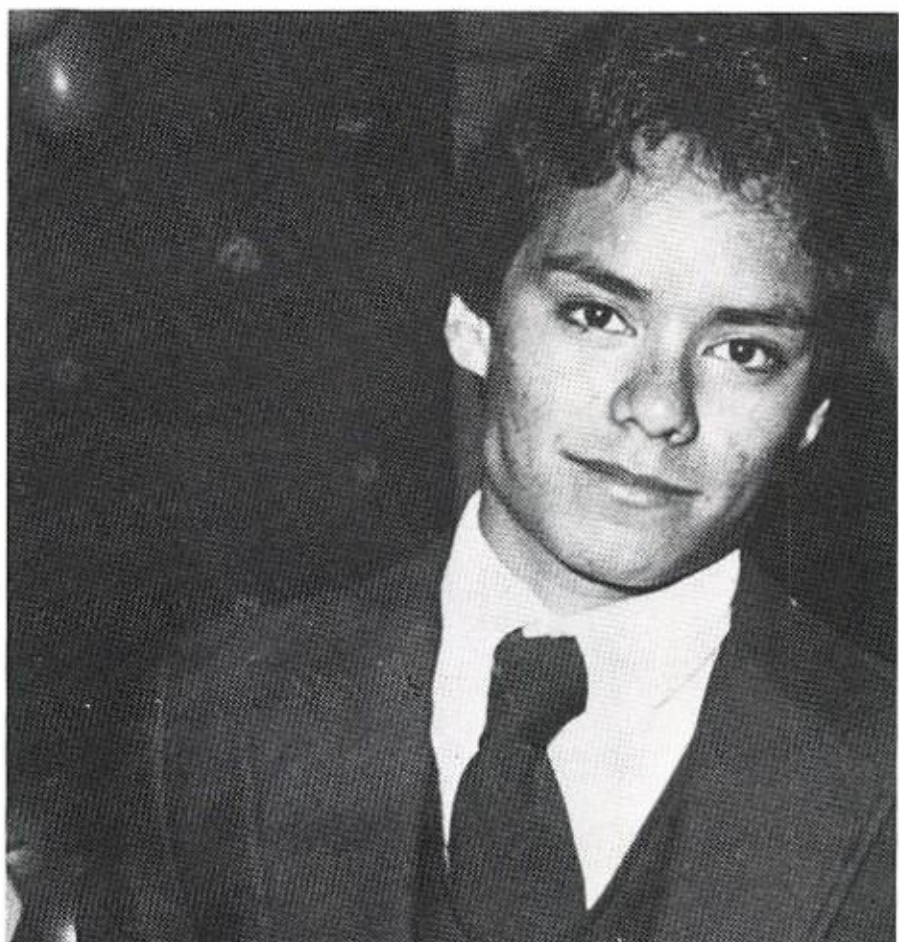

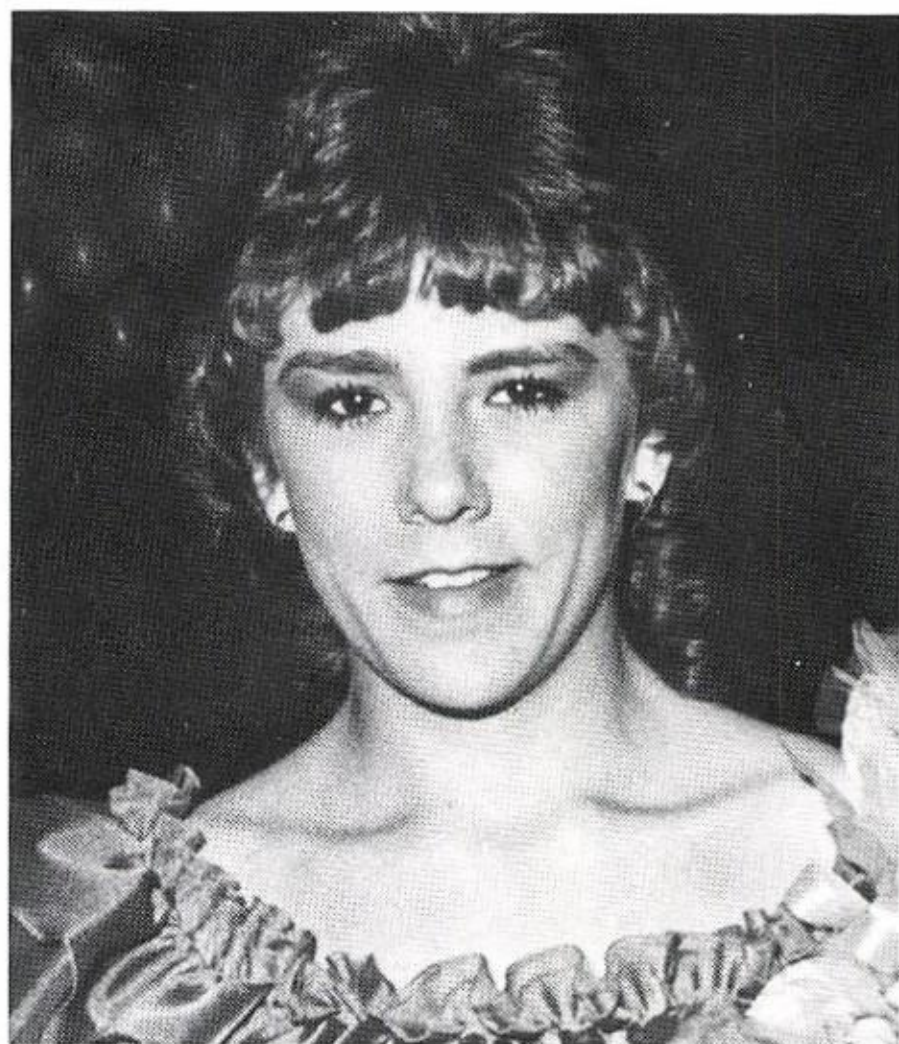

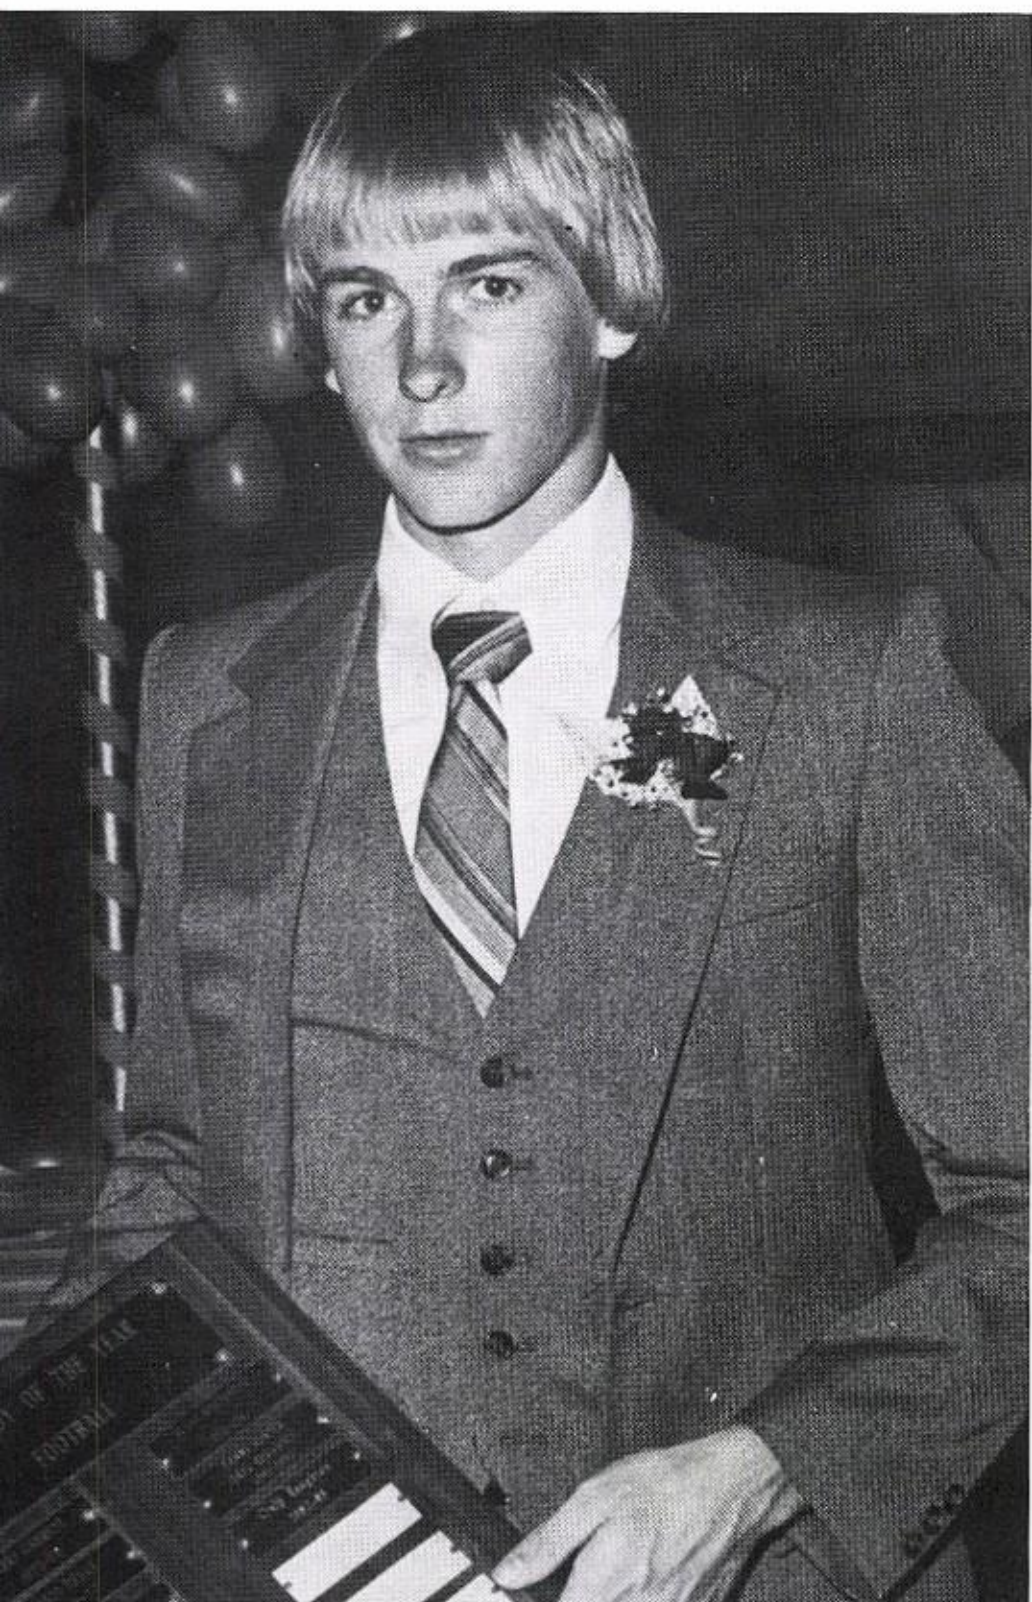

Tryouts for the 1983-84 school year were extremely hard. Many girls tried out for the important positions at Roscoe High School. They all worked hard and well together. With the talents shown during tryouts, we can clearly see that next year is going to be a great year.

1983 Banquet

During the 1983 Athletic Banquet awards were given to: 1. Danny Richburg — Fighting Heart Award, 2. Julie Raughton — Plowgirl of the Year in Basketball, 3. Craig Raughton — Plowboy of the Year in Football and Basketball, 4. Leroy Morales — Plowboy of the Year in Track.

ELEMENTARY

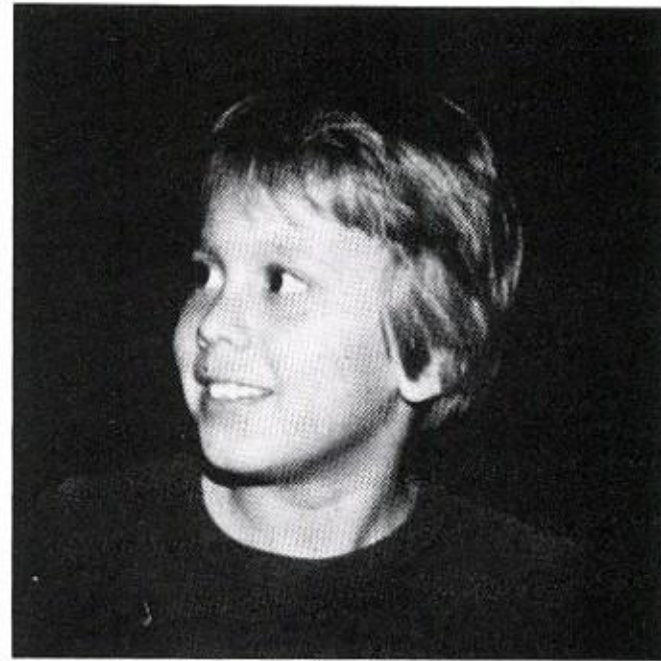

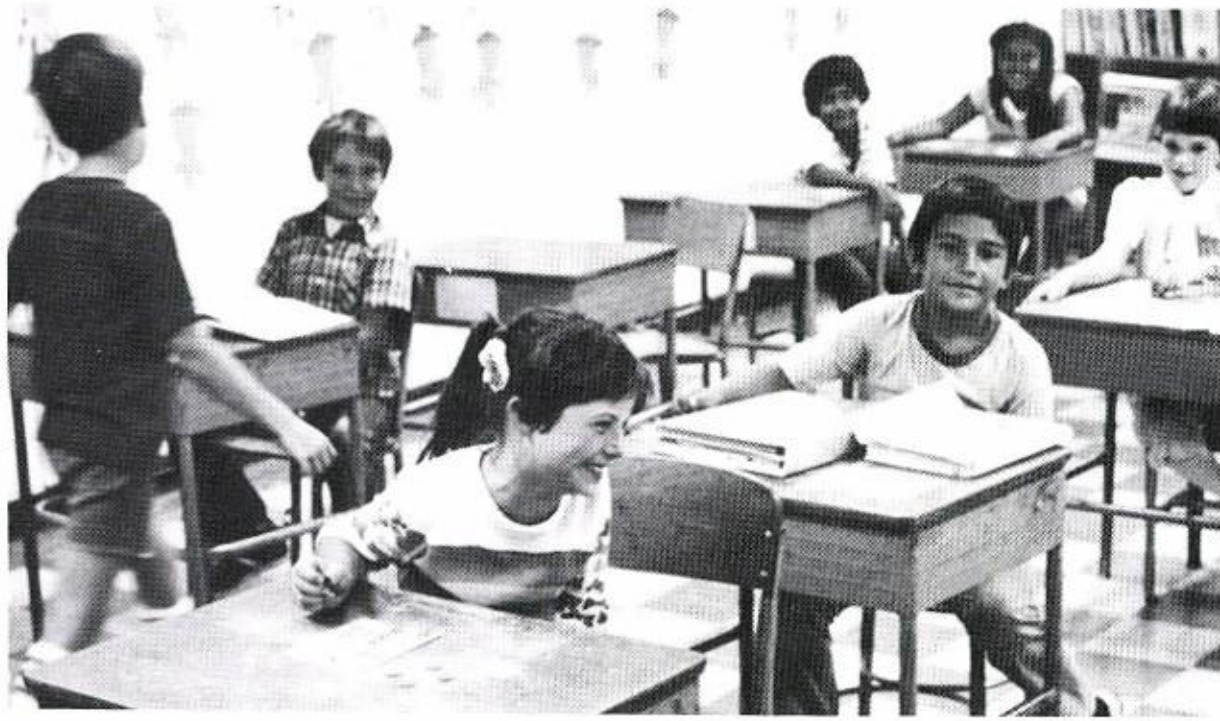

There was never a dull moment in the elementary building this year. From the annual Halloween mask contest to the weekly football pep rallies in the fall to UIL events in the spring, there was always something exciting going on.

The school was honored this year in many ways. Paige Allen

was named Our Little Miss, and the UIL team won the District UIL meet, while the football team went undefeated and the girls basketball team had a winning season.

It was an excellent year for everyone in the building, as well as fun for all.

MEMORY

Barry Manilow

Midnight, not a sound from the pavement,

Has the moon lost her memory,
she is smiling alone.

In the lamp light, the withered
leaves collect at my feet,
and the wind begins to moan.

Memory, all alone in the moon
light,

I can smile at the old days, it
was beautiful then.

I remember the time I knew
what happiness was,
Let the memory live again.

Daylight, I must wait for the
sunrise,

I must think of a new life, and I
mustn't give in.

When the dawn comes, tonight
will be a memory, too,
and the new day will begin.

Burnt out ends of smokey days,
the stale, cold smell of morning,

The street lamp dies, another
night is over, another day is
dawning.

Touch me, it's so easy to leave
me all alone with the memory of
my day in the sun.

If you touch me, you'll
understand what happiness is,
Look, a new day has begun.

Memory, all alone in the moon
light,

I can smile at the old days, it
was beautiful then.

I remember the time I knew
what happiness was,
Let the memory live again.
